Unlimited Cart Rental Agreement

I, _____, wish to participate in the Unlimited Club Cart Rental Program @ a cost of $75/month. I understand that this is a yearly agreement that will be automatically renewed each year unless I notify the club of my desire to discontinue my unlimited cart plan. If the plan is canceled early, I am financially responsible to pay the remainder of agreement. I agree that any member or guest that is not enrolled in the unlimited cart plan that's rides with me will be required to pay ½ of the cart rental fee set by the Board of Directors and failure to comply with this could result in the loss of rental plan and further action by the Board of Directors. HGCC agrees that these carts/covers will be in good working order and will meet the standards of the HGCC members. Unlimited cart plan member agrees that they will return the cart in the same condition that they found it except for unforeseen issues such as flat tires, broken cables and other maintenance issues.

Two Year Membership Contract

COME NOW the parties, _____ hereinafter referred to as New Member and Humboldt Golf & Country Club, hereinafter referred to as HGCC, and enter into this Agreement for the sole purpose of setting forth the rights and liabilities of the parties pursuant to a Membership Drive approved by the Board of Directors of Humboldt Golf & Country Club.

In consideration of the $2500 Initiation fee being waived, New Member hereby agrees to pay the regular dues and all assessments for a minimum of twenty-four (24) months after becoming approved members of HGCC.

Both New Member and HGCC recognize that but for the Membership Drive approved by the Board of Directors upon membership approval New Member would have been required to pay the entire $2500.00 initiation fee (plus tax) to become a full member. However, due to the Membership Drive, said initiation fee will be waived so long as New Member pays all dues and assessments for a period of at least twenty-four (24) months after becoming a member. New Member agrees that should they decide to withdraw as a member of HGCC within the twenty-four (24) months, they will still owe the monthly dues and assessments for the balance of the twenty-four (24) months or the waived initiation fee of $2500 plus tax. New Member agrees to pay to HGCC the cost of collection, including a reasonable attorney fee, should New Member default on the terms under this agreement.
