

FROM THE CLUB

It's Fall around here and with the time change and shorter days, we have adjusted our hours. The clubhouse will now open at 8am daily through the winter. We have enjoyed having so many people out lately, and we hope that continues. We want to say Thanks to Derrick Balmer for the new flag he donated to replace the old one that was showing wear.

We have The Club Championship and the 3 Person Scramble coming up also, Please know If you are not signed up to play and want to just come out and play please call the clubhouse for any empty times open to play until the tournament is over. Once tournaments are over there is room for play as well.

Reminder no outside Alcohol or Food is allowed when the bar and grill is open. Please Be respectful of that.

Monthly Calendar Attached - Clubhouse will close at 5pm on November 25th, remain closed on Thanksgiving day, and reopen at 8 am friday November 27th.

GOLF NEWS

As we continue into fall we are getting cooler and wetter temperatures. September-November provides some of the best times of the year to play golf, and we still have some time for that. Members are encouraged to check the club calendar listed for tournament dates, times, league play, and other golf activities.

PGA GOLF INSTRUCTION - GARRETT MCCRAW

Golf lessons are available throughout the fall! Current lesson rates are:
30 mins: $35
45 mins $50
60 mins $65

All sign-up information is located at the Pro-Shop.
Contact: 731-784-4127

COURSE & GROUNDS

It's fall around the golf course! We finally received some rain here to start the month of November. After 2 wet days to start the month out, we are sitting at 3 inches so far in those 2 days. It was a MUCH needed rain and we are grateful for it. With the rain and wind comes the time of year we all love so much....leaf season. I would expect a lot of leaves to be down over the next few weeks. We will do our best to keep leaves cleaned up and blown. Just please bear in mind, with it being wet, the process is much more difficult.

We will begin spraying our fall pre-emerge once things dry up and we will hopefully have that done by Thanksgiving. Also, please pay attention as we will be taking a couple of days in the near future to lay out our new tarps and take measurements. There may be periods during the day that #4 fwy may be closed allowing us enough space to spread them out and measure.

As far as Thanksgiving Day holiday goes, myself and the maintenance staff will be here Wednesday Nov 25th to blow greens and mow greens, off the 26th, and will be back Friday the 27th for our typical half day Friday routine. Hopefully the weather holds out and you and your family can enjoy the golf course. I hope everyone has a Happy Thanksgiving!! We look forward to spending time with our families and friends over the holiday.

Thanks,
Dakota Ealey
